

AMA FLIGHT SAFETY DECLARATION (FORM 10B copy of text)

By signing the AMA Flight Safety Declaration, each participant attests to the fact that he/she has the appropriate experience to participate in the event, or will be assisted by an experienced participant during any and all flights in which he/she may participate.

All model aircraft (including control systems, if applicable), used in the event have previously been successfully test-flown and are therefore qualified to be flown in the presence of fellow participants, event officials, and all others who may be in the flight area during the event period.

In addition, for sanctioned competition events, the participant also attests that he/she and any and all model aircraft have previously successfully completed a flight, including, if applicable, all man oeuvres intended or anticipated prior to the specific competition event, or any demonstration flights that may be within the competition event designated time period.

AGE CLASS: Youth-Junior: Age 0-14 (by July 1); Youth-Senior: Age 15-18 (by July 1); Adult: Age 19+ (by July 1).
